

To Give You Glory

Verse 1

I fix my eyes on You
Author of my life
I know who I am in You
All I am is all You are
With everything I am
With everything You are

Chorus

I stand and worship You
King of all days
So worthy to be praised
All that I am
To give You glory
I will worship You

Bridge

Bring glory to the Father
Bring glory to the King
Bring glory to the Father
Glory to You
