

Within Me

Verse 1

Your Word dwells in me
Your grace is in my heart
All we do is in Your Name
We sing and give You praise

Chorus

You are within me
It's not my strength but Yours
That I will live by
My life is for Your cause
And I know I am secure in You
And You will never fail

Verse 2

I put on the love you give
I find my confidence in You
Your Spirit lives in me
You reign in my life

Bridge

It is only by Your grace
That I am here today
All things are possible
'Cause You are within me
