

Never Ending Grace

Verse 1

Back to the cross
I've been here so many times before
I'm on my knees
As I lay my life before my King
I could not deserve
What You offer to me

Chorus

Your grace is never ending
You offer it for free
You paid the greatest price
For my life

Verse 2

You cover me
You wrap me in Your arms of love
I find my rest in You
'Cause You accept me as I am
How could I say no
To what You offer me

Bridge

Your never-ending grace
Your never-ending grace
Your never-ending grace
Is all I need
