

One Desire

Verse 1

I will seek Your presence
You are my constant
I find my peace in You
You're all I need

Though temptations and trials
Will come my way
This world will not move me
'Cause I look to You

Chorus 1

You are my one desire
Nothing in this world compares
To Your glory and power
I will bow down in worship

You are exalted Lord
High above all earthly things
All that I want to do
Is seek Your face and dwell with You

Verse 2

So I look to the cross
To Calvary
You sacrificed Your blood
I am made clean

I know on the third day
You rose again
My life is Yours my God
'Cause You saved me

Bridge

Breathe into me Lord
As I seek You
Flow out of me God
As I seek You
